A man and a woman are walking together at night, smiling. The man is wearing a suit and glasses. The woman is wearing a dark top and a brown shoulder bag. She is also wearing a nasal cannula. The background is dark with some blurred lights.

SimplyGo Mini is a reliable,  
powerful choice in lightweight  
portable oxygen concentrators

Are you living your life? Taking trips to the store,  
museum or a musical? Spending weekends away  
with friends and family? If you use portable  
oxygen, SimplyGo Mini is a powerful choice  
for a reliable and lightweight portable oxygen  
concentrator that can help you do what you want,  
when you want.

## Reliability you can count on

We built SimplyGo Mini to be tough. During  
development, SimplyGo Mini was rigorously  
tested in real world environments including  
impacts, vibrations, and temperatures to deliver  
reliable performance day in and day out.

### **Delivering more when you're on the go**

SimplyGo Mini has the ability to deliver **nearly  
20% more oxygen** than the nearest competitive  
portable oxygen concentrator weighing 5 lbs.  
or less.\*

From a walk in the park to an overnight trip,  
SimplyGo Mini may help you remain active  
and provide you with flexibility while on the go.

# You have the **power**

SimplyGo Mini offers easy-to-change lithium ion battery options with standard AC and DC power cords that add convenience and flexibility.

Choose the power option that works best for your lifestyle needs

**Available battery options:**

- Standard battery for battery duration up to 4.5 hours\* (Pulse setting of 2 at 20 BPM). Resulting in total SimplyGo Mini weight of 5 lbs.
- Extended battery for battery duration up to 9 hours\* (Pulse setting of 2 at 20 BPM). Resulting in total SimplyGo Mini weight of 6 lbs.

\*Battery duration times are based on new, fully charged batteries used with a new SimplyGo Mini system. Battery duration times will degrade with battery age, environmental operating conditions, use over time, and operational condition of the concentrator.
